

# BRIGHTER FUTURE SCHOOL

In October 2023 Shahid visited Pakistan which included a visit to Brighter Future School and some of the Churches that were attacked recently.

## School Update

Shahid had the privilege of visiting a school assembly where prayers were prayed, the children sang and the Head Teacher gave a short message. Shahid was also able to distribute sweets to all the children. During this visit Shahid met with all the teaching staff and visited every classroom. The children were delighted to see Shahid and are working hard in preparation for December tests.

On another visit during the trip Shahid was able to see the children dance, sing and give speeches. He was also able to provide lunch for all the children and give out school supplies for every pupil.

One of the highlights was meeting a new teacher who is another former pupil!

## Church Visits

As well as visiting the school Shahid was able to minister in local Churches, preaching the hope of Jesus Christ. Shahid was able to help local pastors and their families, and prayed for people in the community for healing, jobs and studies. Shahid was also able to meet with lots of young people to help them in the various challenges they face.

## Jaranwala

Shahid visited the Churches that were attacked and burnt down a few months ago, 26 Churches in total were burnt down. Shahid was able to preach in Churches, help local pastors and give money from Life Church to help begin to rebuild the Church buildings. Please continue to pray for these precious Christian communities across Pakistan who are living with persecution.

If you want to find out more about Brighter Future School and how you can support us then please speak to Shahid Salim or Pete Baker or email [info@lifelancs.org](mailto:info@lifelancs.org)
